

Wortham Jr. High School Supply List
6th - 8th Grades
2010 - 2011

Parents, The middle school classes are full of hands-on learning activities. It is crucial for all students to come to class prepared to learn. Students who do not bring their supplies to class with them will be allowed to use a second chance pass to borrow supplies. When all 3 passes are gone the students will then start signing the discipline log each time they have to borrow supplies.

****Backpacks:** We have tried to consolidate and limit the number of books and binders students will have to carry. Please purchase **lightweight backpacks** for students to carry their supplies. The more room they are given...the more they stuff in there!

**We will accept donations of any of the above listed school supplies. Drop donated items at the front office; please make sure items are bagged and marked for Jr High.

It is a great idea
to stock up now!

Buy several "extras" to keep at home and replenish supplies as needed. Later in the year supplies are hard to find and are much more expensive.
