

May 26, 2011

Dear Parent(s),

We have an exciting 2011-2012 school year planned here at Wortham Elementary! Art and music will be offered in 4th and 5th grades as choices for fine art credit. You and your student must choose art or music by completing the information below. Please be aware that the choice you make will be effective ALL YEAR as the two courses are not interchangeable. Both courses will be graded courses which will follow the Texas Essential Knowledge and Skills (TEKS) as dictated by the State Board of Education, and both will follow Wortham Elementary grading policy located in our handbook.

Music Information: Students must choose music as a fine art if they plan to participate in the following:

Show Choir

MCC Choir

Recorders (Rockin' Recorders)

Music Memory

Musical Programs

Art Information: Art courses will hold exhibitions of student art at least once during the school year in order for parents to appreciate student work.

My child _____ chooses the following fine arts course:

_____ Art

_____ Music
